I am writing in support of Responsible Bid Ordinances for city and village construction contracts.

Responsible bidding is a common-sense idea that guarantees taxpayer dollars are being used efficiently and responsibly. The Responsible Bidder Ordinance helps to ensure protection for workers, jobsite safety, on-time completion of projects and quality work.

The Illinois House of Representatives has passed responsible bidder legislation, and I urge you to consider adopting a Responsible Bidder Ordinance for the benefits that it would bring to our local economies.

Thank you for your consideration in this matter. If you have any questions or would like to discuss this, please do not hesitate to contact me at 708.499.2810.

Sincerely,

A handwritten signature in blue ink that reads "James D. Brosnahan".
