Dear Village Board Member/City Council Member,

I am writing in support of Responsible Bidder Ordinances for city and village construction contracts.

A comprehensive Responsible Bidder Ordinance sets standards that are both clear and reasonable for contractor and subcontractors, union and non-union, who benefit from public dollars. With these standards, responsible bidding helps not only address the basic needs of workers, but also ensures quality work for the people of Illinois.

I urge you to consider adopting a Responsible Bidder Ordinance for the increased benefits that it brings the taxpayers and the many public works projects they fund in their communities.

Thank you for your consideration in this matter. If you have any questions or concerns, please do not hesitate to call.

Sincerely,

A handwritten signature in cursive script that reads "Kevin A. McCarthy".
