

GENERAL ASSEMBLY

STATE OF ILLINOIS

January 26, 2006

Dear City Council Member:

We are writing in support of a Responsible Bidder Ordinance for all public construction projects in your community.

As you are aware the Responsible Bidder Ordinance would require construction contractors provide satisfactory evidence of several requirements of law to be considered a responsible bidder. In passing this ordinance not only will a higher quality product be offered, the safety of the community will be ultimately increased.

Thank you in advance for considering this ordinance. If you have any questions please feel free to contact us.

Sincerely,
